FIRE CHIEF'S REPORT:

Michael Rampacek:

Chief Rampacek submitted a written report in his absence. It was read into the records by B. Wright.

The new hose we ordered in 2021 has come in and has been placed on the trucks.

Cutters edge saw will be going out for repair, it needs an oil pump and carburetor.

All fire extinguishers have been recertified for the year.

Memorial Day parade went very well, I also received a Thank You from the Mayor.

Since the boat has been put on the trailer and fully filled with air, we noticed that one of the chambers has a leak.

I have found a company in Cape May that will work on the type of boat that we have, unfortunately they do not make service calls. I will be taking the boat down to Cape May in the middle of July for a quote to see how much repairs will be.
